Free Medical Camp Feburary 2020

Free Medical Camp at Chiniot General Hospital attracted more than 2000 patients to avail free medical services for various specialties. In which CGH doctors and staff actively participated. Consultant Gynecologists, Pediatricians, General physicians, General Surgeons, Neurologist, ENT specialist, Dentist, Dermatologist, Cardiologist, Orthopedic, Physiotherapist, Dietitian & Psychiatrist were available for consultation. Over 15 different lab tests (like Uric Acid, BMD, Hepatitis B, Hepatitis C, BMI, Hemoglobin, Spirometry, Blood Sugar, Thalassemia & Cholesterol) were also available at the camp.

Free chest X-rays for TB screening were also conducted in collaboration with Community Health Solutions/ Sehatmand Zindagi Centers. In addition to above, free eye checkups were done courtesy Hashmani's Hospital. Patients who needed eye surgery were also scheduled and further managed by them also. Patient safety and Quality team interacted with people coming in for tests and explained about causes of Hepatitis B & C and possible preventive measures that can be taken. Free medicines were provided to patients and various gifts were distributed via lucky draw. CGH aims to organize more Medical Camps in future to facilitate public.
