## BAHRIA UNIVERSITY STUDENT

Bahria University BS Public Health students visited Chiniot General Hospital for a field trip, where they interacted with our patients to get know how about their experience and the services they are getting at CGH.

## ACUTE FLACCID PARALYSIS (AFP) WORKSHOP

AFP workshop was conducted by District Surveillance Officer of DHO Office. Dr. Bushra Farooqi, provided details regarding "Acute Flaccid Paralysis", its consequences and immediate treatment points for CGH Consultants, RMO's and Nursing Staff.

## DONATION

The CGH team appreciates the generous donation of the latest ultrasound machine by Mrs. Shaukat in memory of her late husband. She inaugurated the USG in a simple but impressive ceremony attended by Mr. Nadeem Ahsan, Brig. Dr. Muhammad Munir, TI(M), (Retd.), Col. Dr. Muhammad Aqeel Ahmed (Retd.) and other staff members of CGH.

**"Her kind donation is in use for provision of the latest scan facilities to deserving patients."**

## VOLUNTEER PROGRAM

CGH has initiated a Volunteer Program, in that volunteers visit different wards and help patients. Volunteers are also contributing financially for the needs of the hospital. CGH appreciates the active participation of trustees families in this program.

## INTERNATIONAL WOMEN'S DAY

CGH celebrated "International Women's Day" in partnership with **Greenstar Social Marketing**. The speakers highlighted the role of women in different sphere of life.

## CGH EXPANSION & UPGRADATION PROJECT

CGH is always looking to improve its quality standards and provide better healthcare facilities to underprivileged people of the area. In this regard expansion of CGH is underway. Four new blocks have been added. Grey structure work has been completed and finishing work is in process. This will require approximately **Rs. 300 million** to complete and fully equip these new blocks. We request your generous donation for the timely completion of this Project. Donors may sponsor a specific room/ward/equipment which will be dedicated to the sponsor / Nominee.

## FREE MEDICAL CAMP - 2023

Chiniot General Hospital organized **Free Mega Medical Camp 2023** for the community with provision of free medical checkups, free medicines and tests. Consultants of all major specialities provided free treatment onsite. More than 1400 patients attended the camp.

## BEST EMPLOYEE AWARD DISTRIBUTION AT CGH

CGH distributed best employee certificate to the employees acknowledging their efforts and hardwork. Awards and Certificates was distributed to Consultants, Doctors, Nurses, Admin and paramedical staff.

## NEONATAL RESUSCITATION PROGRAM

Sindh Government Health Department initiated a training program for the nurses and midwives for **Immediate after Birth Resuscitation of Neonatal**. In this regard a training workshop was held at CGH in which Dr. Faraz and Dr. Hassan from Sindh Institute of Child Health & Neonatology conducted a hands on training session for the participants.

## ZAKAT AND DONATION CAMPAIGN

CGH never step backward when it comes to helping others. We always make our patient priority as number one.

CGH provides free treatments to those who can't afford. In the Holy month of Ramadan through Zakat & Donation awareness campaign was launched so that others can also come forward and donate as much as they can to facilitate those who are facing serious illness.
